# Clever

Training your Teachers

Provide your teachers with training to help them save classroom time using Clever and practice secure digital learning.

Training Options and Resources

1 Live Training

45-90 minutes

Lead your own training with a slide deck, email templates, and free swag for your district-led training via Clever Trainer.

Hire Clever to lead sessions tailored to your district's needs that will unlock all of the ways teachers can save classroom time on Clever.

---

2 Clever Teacher Certification

90-120 minutes

Share Clever Academy, Levels 1-4 to help teachers become experts on Clever. It also includes an official certification that they earn with completion!

---

3 Teacher Quick Start Guide

10-20 minutes

Share the Quick Start Guide to give teachers a short overview of everything they need to know to start using Clever right away.
